

REGISTRATION INFORMATION

The 2nd International Symposium on on Radio Systems and Space Plasma – ISRSSP 2010 will be a three-day event with oral presentations. Two types of papers are considered for ISRSSP'10, namely Invited Papers and Regular Papers. Every paper (Invited or Regular), in order to be included in the proceedings, needs to be registered until the 20th of April 2010 and must be presented at the symposium. The ISRSSP'10 Registration Fee is 390 EURO and it is to be transferred before the date mentioned above, to the bank account of IICREST (for those making the transfer after this date, the fee will be 440 EURO):

Account in EUR (Raiffeisenbank, Sofia, Bulgaria; “Bulgaria” Blvd., “Vitosha” Business Center):

BIC code - RZBBBGSF / IBAN account: BG80 RZBB 9155 1469 0873 00

(participants will receive Invoice + Receipt in their symposium package, together with the ISRSSP'10 proceedings).

The symposium registration includes: access to all symposium sessions + lunches + coffee breaks + book of proceedings (tickets for the ISRSSP'10 Banquet are not covered by the registration and have to be purchased on-site).

Students without a paper are entitled to a 50% discount over the registration fee. Students must confirm their status by presenting a student card and a signed declaration from the supervisor professor. Discounts over the registration fee are not cumulative.

Cancellation Policy for the Symposium: If we receive your written cancellation before June 14, 2010, the registration fees will be refunded, deducted by an administrative fee of 100 EUR. There will be no refunds for cancellations received after June 14, 2010.
